## AGRICULTURAL INVESTMENT COMPANY

# ABOUT US

AMYZ is a pioneering model of integrated agricultural investment in Egypt, combining land reclamation, advanced farming, and the export of high-quality crops to global markets. Since its establishment in 2019, AMYZ has become a symbol of excellence and quality through its commitment to applying the latest agricultural technologies and adopting best practices in production and export.

At AMYZ, we believe that investing in agriculture is not just a business but an investment in the future of food. Through reclaiming land and cultivating it to the highest standards, we deliver fresh, premium-quality crops that reflect the authenticity of Egyptian products.

With our extensive expertise since inception, we have successfully built strong partnerships with major global markets in the European Union, Russia, the Middle East, and North Africa. Our products stand out for their competitive edge, offering exceptional quality and prices that meet our customers' expectations.

Our commitment extends to ensuring customer satisfaction by providing products that adhere to strict international standards, maintaining environmental sustainability, effectively managing pesticides, and ensuring a comprehensive traceability system.

AMYZ is not just a company; it is a trusted partner for anyone seeking reliable agricultural products ready to open new horizons in global markets.
